**LETTER OF COMPLIANCE  
FOR  
LETTER OF DEFICIENCY  
No. WMD 04-11**

Attn: Kevin Daugherty, Owner

**Re: Thornton Collision Center  
Campton, New Hampshire  
EPA ID # NHD500003033**

Dear Mr. Daugherty:

On April 27, 2004, the Department of Environmental Services, Waste Management Division ("DES") conducted an inspection of Thornton Collision Center ("Thornton") in Campton, NH. The purpose of the inspection was to determine Thornton's compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, Thornton was issued Letter of Deficiency No. WMD 04-11 (the "LOD"). Based upon a review of Thornton's submittals received on June 10, 2004, November 10, 2004, and March 29, 2005, DES has determined that your facility has corrected the deficiencies identified in the LOD.

Please be advised that DES will continue to monitor Thornton's compliance status through record reviews and on-site inspections.

If you have any questions regarding this letter, please contact the lead inspector, Robert Bishop or me at (603) 271-2942. Thank you for your cooperation.

Sincerely,

**COPY**
